**presents our 7th Annual**

# *Candy Cane Marketplace*

**A Christmas Crafts Fair**

## **2018 Vendor Information**

Park Place Christian Academy (PPCA) is excited to start planning our 7<sup>th</sup> Annual Candy Cane Marketplace Christmas Crafts Fair! Candy Cane will be held this year on Saturday, November 10<sup>th</sup> at the Clyde Muse Center at the Rankin Campus of Hinds Community College and in connection with PPCA's 7th annual Sader Run 5K. The Sader Run event will start early that morning and will be over just about the time Candy Cane Marketplace begins. We are already making plans for incentives to get all those participants to come shop at Candy Cane once the 5K is over. We also have additional advertising plans for this event to bring in shoppers and provide a smooth flow of customers. We want this to be a successful event for ALL of our wonderful vendors.

**PPCA is blessed to be able to host Candy Cane Marketplace again,  
and we would be honored for you to be a part of it!**

## Vendor Information Cont.

### General Information and Guidelines

- All vendors must check in at the "Vendor Check In/Out Desk" upon arrival as well as check out at the end of the event to turn in requested information including sales tax payment.
- The Booth Committee will be available to show all vendors to their designated booth space. Do not set up your booth area until you have checked in and have been shown your booth spot and the allotted footage. This will allow you as a vendor to make sure you are in the appropriate location and keep confusion to a minimum. If you set up in the wrong location, the Booth Committee will ask you to dismantle your booth and relocate to the appropriate space.
- No vendor is allowed to move booth spaces without prior consent of PPCA Candy Cane Marketplace Committee. If a vendor has been found to have moved spots without prior consent, said vendor will be asked to relocate to their original assigned space or possibly leave event without refund.
- PPCA Candy Cane Marketplace Committee is the only body that can make booth arrangements and reserves the right to change your booth location.
- Booth spaces must be utilized by the person or company that has purchased said booth or names listed on vendor application. Only persons, company or products referenced on vendor application may sell from your booth.
- PPCA will provide a 10 X 10 booth, one table and 2 chairs. This service is included in your booth rental fee listed above. Vendor is responsible for any display material as well as set up and tear down.
- No vendor is allowed to have weapons or harmful, obscene, or sexually explicit products of any kind or products actual or fake, that encourage or replicate the use of tobacco, alcohol, or drugs or any other substances that are illegal for people 21 years of age or younger for sale or show. There will also be no racial or discriminatory actions or promotions of any kind. PPCA Candy Cane Marketplace Committee reserves the right to ask any vendor selling these product types to leave event without refund.
- Full menu Sader Café concessions will be available so no outside concession food are allowed to be sold.
- There will be designated unloading and parking privileges for vendors.

PPCA reserves the right to ask any vendor that does not comply with the Candy Cane Marketplace Guidelines to leave the event without refund. Please be sure to review all guidelines in full.

Your cooperation is greatly appreciated! We hope you consider being a part of PPCA's 2018 Candy Cane Marketplace! If you have any questions, please do not hesitate to email [candycane@goppca.com](mailto:candycane@goppca.com) and someone will respond to you promptly.
