CHRISTIAN BELIEFS

PARK PLACE CHRISTIAN ACADEMY MISSION STATEMENT

Park Place Christian Academy partners with parents to provide their children a Christ-centered education founded on the Bible which fosters spiritual development and instills the vision and practice of Christian excellence in academics, character, and service to others through Biblical integration and Biblical worldview shaping.

AFFILIATION

Governed by the PPCA School Board, Park Place Christian Academy (PPCA) is a ministry of Park Place Baptist Church in Rankin County. Christian training in the school is from a Biblical approach and Christ-like principles are clearly taught. No student applicant shall be denied admission on the basis of race, color, or national origin.

All PPCA parents and students are asked to read this Handbook in its entirety with prayerful consideration. If, after reading the Handbook, parents determine that the principles stated herein are the principles by which they want their children educated, then PPCA will have a meaningful and productive school year. At parent orientation in early August, Handbook Agreement/Consent Forms will be available for parents and students to sign and return to the homeroom teachers.

ACCREDITATION

PPCA is dually accredited by the Southern Association of Colleges and Schools/AdvanceED and by the Mississippi Association of Independent Schools (MAIS).

BIBLE

At PPCA, Bible study is recognized as a fundamental requirement for all students. It augments the subjects of English, history, social studies, science, and health. Without Bible study, a student can hardly be called educated in the true sense of the word. The Bible says, *"The fear of the Lord is the beginning of knowledge"* and it offers the best guide for this life and only hope for the life to come. No other book can enrich and influence the mind and heart like the Bible. Because of this standard, students are taught a planned program of Bible study and Bible memory work is required of PPCA students.

MOTTO

The school's motto *"Soli Deo Gloria"* translates *"To God Alone the Glory."*

STATEMENT OF FAITH

1. We believe in the absolute accuracy of the Word of God and that the Bible is verbally inspired and all-sufficient as the Christian's rule of life and practice. PPCA endorses the following translations of the Bible as part of the spiritual education process: ESV, NASB, KJV, NKJV, and HCSB (II Timothy 3:16-17).
2. We believe in the total depravity of man through the fall of Adam (Genesis 3, Romans 5:12-17).
3. We believe that the one true God is manifested in three persons: Father, Son, and Holy Spirit, equal in all things as eternity, omnipotence, omnipresence, and omniscience (Matthew 28:19; II Corinthians 13:14).
4. We believe in the virgin birth of Jesus Christ (Luke 1:26-35); His absolute sinlessness (II Corinthians 5:21); and in the complete justification of the believers in Christ (Acts 13:38-39; Romans 5:1).
5. We believe in the present assurance of salvation (I John 5:11-13); the present possession of eternal life by every true believer (John 5:24; John 6:47); and the eternal security of the genuine believer (John 10:28-30).
6. We believe that the ordinances of the Lord's Supper and baptism by immersion are to be observed by the church in the Lord's absence (Matthew 28:19; Acts 8:36-39; Romans 6:1-5, I Corinthians 11:23-26; Acts 2:42).
7. We believe in the resurrection of all believers at the pre-millennial coming of Christ and in the review and reward of believers according to their life and works (Luke 14:14; John 5:28; Romans 14:10-12; II Corinthians 11:23-26; Acts 2:42).
8. We believe in the love of God for the entire world (John 3:16), the necessity for new birth through the Word and the Spirit of God (John 3:3-7; Peter 1:23-25), the dwelling of every true believer by the Holy Spirit (I Corinthians 6:19; John 14:16-17); and the uselessness of human works and merit to obtain salvation (Romans 4:5; Ephesians 1:7-9; Ephesians 2:8-9; Titus 3:5).
9. We believe in the finished work of Christ through which complete and eternal atonement for sins has been effected (John 19:30; Hebrews 9:26; Hebrews 9:28; Titus 3:5).
10. We believe in salvation by grace alone through faith (Ephesians 2:8-9; Acts 16:30-31).
11. We believe in the efficacy of the Blood of Christ, apart from which there can be no salvation (Hebrews 9:22; Ephesians 1:7; Colossians 1:20; I John 1:7). His vicarious death (Romans 5:6-8; Luke 24:26-40); His visible ascension (Luke 24:50-51); His present enthronement (Hebrews 1:3); and His high priestly ministry and advocacy (Hebrews 7:25-26; I John 2:1).

12. We believe that mankind is absolutely helpless and cannot please God in an unregenerate condition (Romans 3:9-19; Romans 8:8).
13. We believe in the immediate entry into a literal hell by every person who dies without Christ (Luke 16:19-31); the resurrection of all such persons to stand before the Great White Throne of Judgment (John 5:28-29; Revelation 20:11-13); and the consignment of all such persons into a lake of fire forever (Matthew 25:46; Revelation 10:14-15).
14. We believe in separation from sin and the world by the Christian and a godly life to the glory of God (II Corinthians 6:14; II Corinthians 7:1; Titus 2:11-14).
15. We believe in the rapture of the church, at the coming of Christ to meet Him in the air (I Corinthians 15:51-57; I Thessalonians 4:13-18); the revelation of Christ at His coming to the earth prior to the setting up of His Millennial kingdom (II Thessalonians 1:6-10); and the personal, literal reign of Christ over this earth for one thousand years (I Corinthians 15:24-28; Revelation 20:1-6).

GOD'S SIMPLE PLAN OF SALVATION

1. **All Have Sinned**

"For all have sinned and come short of the glory of God." *Romans 3:23*

2. **Sin Must Be Paid For**

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." *Romans 6:23*

3. **Jesus Paid for Our Sins**

"But God commended His love toward us, in that, while we were yet sinners, Christ died for us." *Romans 5:8*

4. **What We Must Do**

"For whosoever shall call upon the name of the Lord shall be saved." *Romans 10:13*

5. **How We Can Know We Are On Our Way To Heaven**

"He that believeth on the Son hath everlasting life." *John 3:36*

6. **Assurance**

"...the gift of God is eternal life through Jesus Christ our Lord." *Romans 6:23*

"And this is the confidence that we have in Him, that, if we ask anything according to His will, He heareth us; and if we know that He heareth us, whatsoever we ask, we know that we have the petitions that we desire of Him." *I John 5:14-15*

CHAPEL

PPCA students and teachers are required to attend one age-appropriate Chapel each week. Students are encouraged to bring their Bibles and to present offerings to support special Missions projects locally and internationally.

Preschool-1st Grades meet in the Park Place Baptist Church Sanctuary.

2nd-5th Grades meet in the 201 Building's Chapel.

6th-12th Grades meet in the Park Place Baptist Church Sanctuary.

During Preschool and Elementary Chapel age-appropriate programs are offered featuring songs of praise to God and pledges to the American flag, Christian flag, and the Bible are recited. A devotional message is offered by PPCA faculty, ministers, and other spiritual leaders.

During Secondary Chapel students are led by classmates and PPCA faculty, ministers, and other spiritual leaders in worship, Bible Study, prayer, and devotional messages. Once a year each spring during PPCA's Spiritual Emphasis Week, high school students and others lead the music and provide messages to students in a daily chapel.

PATRIOTISM

PPCA students are also regularly required to recite pledges and offer prayers for the country and its leaders in their classrooms.

PLEDGES

THE PLEDGE TO THE AMERICAN FLAG

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

THE PLEDGE TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian Flag and to the Savior for Whose Kingdom it stands, one Savior, crucified, risen, and coming again with Life and Liberty to all who believe.

THE PLEDGE TO THE BIBLE

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet, a light unto my path, and I will hide its Words in my heart that I might not sin against God.

EDUCATIONAL PHILOSOPHY AND PURPOSE

PURPOSE

The purpose of Park Place Christian Academy (PPCA) is to assist parents in providing a sound education for their children through the integration of faith and learning. PPCA is committed to teaching a Biblical view of God and the world through the development of basic spiritual, intellectual, physical, and social skills.

ASSISTING PARENTS

PPCA endeavors to function as an extension of the Christian home, supporting parents in the biblical mandate giving them ultimate responsibility for the education of their children. Teachers, parents, and students must have a common grounding in the Lordship of Jesus Christ as revealed in the Scripture and a common commitment to the work of education.

In order to serve these families with Biblical instruction and Godly examples, the school employs administrators, faculty, and staff who serve as role models in their Christian walks, their professional lives, and their Christian faith.

PROVIDING A SOUND EDUCATION

PPCA provides students with an education that offers rigorous academic instruction. The school provides an environment for growth and development where different learning styles are served in keeping with the resources God has provided at PPCA.

INTEGRATING FAITH AND LEARNING: BIBLICAL WORLDVIEW

The curriculum is rooted in a God-centered view of life, allowing students the opportunity to understand themselves and the world around them from a Biblical perspective. All truth is found in God and is derived from His revealed Word and from objective observation of the world He created. In all matters the Scriptures are supreme.

The integration of Biblical faith and learning is the responsibility and a primary function of the teachers at PPCA. The school endeavors to select the best instructional materials available in order to reach its overall goals.

DISCOVERING GOD'S PURPOSE

PPCA believes that it has the mission of enabling its students to live wholesome Christian lives in a harsh and demanding world. In cooperation with the parents, PPCA makes the students aware that, while they are created in God's image, they are also blessed with distinctive personalities. They will also discover that God has a purpose for each of them and that they can achieve that purpose.

PPCA provides an environment that balances a relationship with God through faith in Christ with intellectual and artistic pursuits. Academic excellence, coupled with the development of Christian character, will enable each student to recognize God's special plan for his or her life and strive to attain that goal. The primary responsibility for raising children rests with the parents. With that in mind, PPCA believes that parents and school should work in cooperation and harmony in nurturing, training, guiding, and expanding the child's body, soul, and spirit.

OBJECTIVES IN EDUCATING CHILDREN:

PPCA STRIVES TO:

1. Prepare children spiritually by instilling in them a love for the Lord Jesus Christ, God the Father, and His Holy Spirit; and a personal sense of responsibility to be all God wants them to be.
2. Prepare children to successfully live balanced Christian lives in an unbalanced world.
3. Encourage them to think clearly, logically, critically, and independently.
4. Offer an instructional program that meets their academic needs.
5. Develop an understanding of the world in which they live and the ability to appreciate and adjust to their environment.
6. Achieve mastery in the tools of learning and communicating.
7. Develop a sense of responsibility in each child as citizens and Christians.
8. Provide them with opportunities to develop a moral, ethical, and spiritual sense which will aid them in an understanding and appreciation of their own personal worth and that of others.
9. Provide opportunities for developing skills necessary to make a living.
10. Offer opportunities to participate in wholesome forms of recreation.
11. Prepare each child for an outstanding position in life.
12. Prepare for spiritual leadership in school, home, church, community, state, nation, and the world.

LUNCH

PPCA offers hot lunch or alternate combo meals to all students, made available via The Lunch Ticket Company. Lunch option information is made available to families during Orientation and/or via the Lunch Ticket link on the school website:

www.goppca.com.

K-12th Grade students may also bring lunches from home. Preschool students who are enrolled in the After School Care (ASC) program are provided a hot lunch as part of the ASC tuition. If a child has allergies, a supplement may be sent. Contact ASC for details.

There are a limited number of microwaves in the cafeteria and are for use only by 3rd grade students and up. Sixth grade and below should not bring carbonated or high-energy drinks to school.

For more information, please email thelunchlady@gmail.com.

LUNCH REGISTRATION:

Prior to ordering meals online, families must register each student via The Lunch Ticket's payment system:

- Obtain a **student I.D. number** for each student in a family from the Lunchroom staff at Orientation. Students who return each year will use the same 5-digit number they used the prior year.
- Set up an account for **each student** via The Lunch Ticket's payment system, www.myschoolaccount.com.
- Follow the specific payment instructions for Elementary and Secondary students, as noted below.
- Lunch accounts should be fully funded at least 24 hours prior to that day's lunch. Families whose student accounts dropping below \$10 will receive an alert via email from The Lunch Ticket.
- **Students are not allowed to charge lunches.** See the section that follows regarding Lunch Options for Students with Depleted Funds.

LUNCH PAYMENT OPTIONS for ELEMENTARY STUDENTS:

Student lunch orders are submitted to the classroom teacher with the monthly lunch calendar. Payment can be made by cash or check through the classroom teacher, or funds can be added online using www.myschoolaccount.com and following the Lunch Ticket Online Account Setup Instructions.

LUNCH PAYMENT OPTIONS for SECONDARY STUDENTS:

In addition to hot lunch and combo meals, a la carte items may also be ordered for secondary students. Secondary students may pay cash daily, submit a check, or prepay their accounts. Funds can be added online using www.myschoolaccount.com and following the Lunch Ticket Online Account Setup Instructions.

LUNCH OPTIONS for STUDENTS with DEPLETED FUNDS:

Students are not allowed to charge food when funds are depleted from their accounts.

Any student whose funds run out will be directed to contact his or her parent who has the following options:

- Deliver a meal to the designated pickup spot for the student prior to the student's lunch hour.
- Bring cash or a check made out to The Lunch Ticket for the student's lunch prior to the student's lunch hour.
- Opt for a Lunchable-type meal to be given to the student. The cost for this service will be billed to the student's school account.
- Any funds added to a student's lunch account must be **deposited at least 24 hours in advance** of being available for use in purchasing lunch.

CAR RIDER LINE

PPCA does not offer bus service. Parents are responsible for their students' transportation to and from school. Drop off and pick up location information is given to parents prior to the beginning of the school year.

Traffic on campus is one-way. All parents should drive in the designated lane beside the school when dropping off or picking up students, pulling all the way up to the first position in the carpool lane. Parents should pick up or drop off students in a timely manner so as to avoid traffic congestion in the carpool lane.

GENERAL ARRIVAL INFORMATION FOR Preschool-12th Grades:

1. Students will not be allowed to enter the building before 7:15 a.m. PPCA is **not** responsible for children who are dropped off on the school grounds before 7:15 a.m.
2. Carpool numbers for Preschool and Elementary students are issued during Orientation prior to the beginning of the school year. Place the designated carpool number on the rearview mirror so that it is visible.
3. If students have items that are too unwieldy for them to carry into the school, parents should get out of carpool line and park in the parking lot to assist students into the building, rather than create traffic congestion by holding up the carpool line.
4. Once a student arrives on school property he/she may not leave until the appropriate dismissal time, unless otherwise approved by an administrator. Upon arrival, students may not miss any class, assembly, or any other scheduled event for any reason without prior administrative approval.

LATE ARRIVAL/TARDINESS INFORMATION:

Late arrivals, known as tardiness or tardies, are disruptive to the classroom and have an adverse effect on a child's educational progress. See ABSENCES AND TARDINESS on page 24 for information.

SPECIFIC ARRIVAL INFORMATION for Preschool and Dyslexia/Resource Center Students:

1. Students are expected in their classrooms by 7:55 a.m.
2. Preschool and DRC students arriving after the carpool line door has closed must have a parent sign them in at the Park Place Baptist Church Welcome Center until 8:10 a.m.
3. After 8:10 a.m., parents must come to the Preschool Office to sign in.
4. Parents of Preschool and DRC students enrolled in Crusader Care but arriving after 9:30 a.m. must make individual arrangements for their child's lunch for that day.
5. Students should never be dropped off at the door if it is already closed.

SPECIFIC ARRIVAL INFORMATION for K-6th Grades:

1. Students are expected in their classrooms by 7:55 a.m.
2. Parents with students arriving to school after 7:55 a.m. should report directly to the Elementary School Office to sign in their students and obtain late passes.
3. An excused tardy may be given for special circumstances.

SPECIFIC ARRIVAL INFORMATION for 7th-12th Grades:

1. Students are expected in their classrooms by 7:55 a.m.
2. Students who arrive to school after 7:55 a.m. should report directly to the Secondary School Office to sign in and obtain a late pass.
3. The parent should send a note of explanation with the tardy student. An excused tardy may be given for special circumstances.

4. All Preschool Crusader Care children who check out during the school day or who are absent for the entire school day will not be allowed to check in at the ASC desk until 12:00 p.m. due to the transitioning of students from their morning classes to their Crusader Care classes. This will help to ensure a safe and orderly check-in process for each child.
5. No children should be checked out from Crusader Care until 12:00 p.m. due to the transitioning of students from their morning classes to their Crusader Care classes.
6. **Parents should not go directly to the classroom to pick up their child.**

7. Students are responsible for completing missed school work when they leave early.

INCLEMENT WEATHER

Fire and tornado drills are held periodically in order to prepare all members of the school for these emergencies. Places of shelter from tornadoes have been designated by a member of the National Weather Service. As soon as Rankin County is placed under a tornado warning, all PPCA students will be moved to places of maximum safety. To maintain order and protect the lives of all students, **parents will not be allowed to pick up their children during a warning.**

EMERGENCY SCHOOL CLOSING

Any closing of school due to inclement weather will be submitted by a school official to be announced on local television stations, by the use of text messages, social media, and on the PPCA website.

CRUSADER CARE/AFTER SCHOOL CARE

PPCA provides an extended day care program for an additional fee. The hours for Park Place Crusader Care and Secondary 'Saders begin at varying times for ages and ends at 6:00 p.m. daily.

NOTE: Students must still continue to follow PPCA's NO Electronics rule while in Crusader Care, including but not limited to Smart Phones, Smart Watches, tablets, and cell phones. Laptops are available in limited supply for researching and doing homework while at Crusader Care.

For more information, call or stop by the Crusader Care office or visit the PPCA webpage.

ABSENCES AND TARDINESS

The following procedures apply to absences and/or tardiness:

1. Teachers will maintain an accurate record of attendance and tardiness. The attendance and tardy record may appear on report cards.
2. Every three unexcused tardies will equal one absence for all students.
3. Punishment or discipline may be assigned at the discretion of the teacher or administrator if problems with tardiness continue to persist.
4. When students are absent from school, parents should check on the schools' RenWeb Parent's Web website for any assignments for that day. If no assignments are posted, then parents may email the students' teachers to request the assignments. Any books, material, assignments, etc., that need to be picked up from school can be picked up ONLY after 3:15 p.m.
5. Students returning after an absence must bring a written excuse from parents. A telephone call to the office on the day of the absence is **not** sufficient notification. Absence notices should be turned in to the student's teacher for students in Preschool-6th grades, but students in 7th-12th grades should bring notices to the Secondary School Office.
6. Doctors' appointments should be scheduled **after** school hours when possible. If a student misses any classes in order to go to the doctor, a signed and dated doctor's excuse is required upon return to school in order for the absence to be considered excused.
7. A 7th-12th grade student must be present for **at least 50% of a class period** to be considered present for that class. A K-6th grade student must be present for at least 3 hours to be considered present for that day.
8. In order for any student to be eligible for extra-curricular participation, the student must be present for at least 60% of the day.
9. A K-12th grade student who misses more than 20 days per year (excused or unexcused) will fail (1998 MAIS ruling). For 7th-12th grade students this rule is applied to each individual class. Students in a semester course will be allowed a maximum of 10 absences in these classes.
10. Dual Enrollment/Dual Credit Students/AP Students are subject to the same policies and guidelines as college students. This means things like attendance policy, grading scale, etc. Hinds Community College states "A hybrid course is one that meets a minimum of 50% of the contact hours face-to-face and completes the other portion online, using the college's learning management system as the primary instructional tool, though other resources may also be included. There will be a minimum of two attendance dates each week – one (or more) for the face-to-face portion and one (or more) for the online portion. Students are expected to complete all online assignments for the week in order to be counted present for that part of the weekly attendance."

EXCUSED and UNEXCUSED ABSENCES: KINDERGARTEN-12th GRADES

All absences (excused and unexcused) are counted against a student's attendance record and exam exemption status.

A student who is absent will be required to make up school work missed in class. It is the student's responsibility to obtain all make-up work from the teacher beforehand, if possible, or else immediately upon returning to school.

A limited amount of time will be allowed for students to turn in make-up work.

EXCUSED ABSENCES: KINDERGARTEN-12th GRADES

An excused absence means that a student can make up missed work.

All absences require written explanation and must be turned in to the grade-appropriate school offices.

Absences will be considered excused for the following reasons:

1. Illness of student (with signed note from parent and/or dated doctor's excuse).
2. Death in the student's family.
3. Unavoidable family emergency.
4. Pre-Approved Absences – Must be approved by an administrator prior to absence.

Students who miss school for any school-related function will not be counted absent.

Students are responsible for completing missed work/tests after any absence.

UNEXCUSED ABSENCES: KINDERGARTEN-12th GRADES

Examples of an unexcused absence include, but not limited to, skipping class, skipping school, and/or school suspension.

Students are responsible for completing missed work/tests after any absence.

UNIFORM DRESS CODE

All PPCA students will wear the appropriate school uniform, per their grade's requirements. Approved school colors are forest/hunter/dark green, white, gray, and black. Exceptions are listed below for specific uniform items.

Dennis Uniforms is the exclusive* uniform provider for all PPCA tops, skorts, jumpers, and plaid items. All tops (with the exception of PPCA t-shirts for Preschool) must be purchased through Dennis Uniforms, or acquired via the PPCA Partners' Uniform Swap, or from another PPCA family.

*NOTE for 2020-2021 School Year: Due to shipping and financial issues related to the Pandemic, PPCA will gradually transition to exclusively using Dennis Uniforms. This decision was made to help alleviate some of the financial pressures that many families are facing. PPCA will allow students to wear the approved school uniforms from the 2019-2020 school year. These include previously purchased Lands' End tops and bottoms, Tommy Hilfiger tops and bottoms, and Parker (tops only, no bottoms) are allowed from 2019-2020. Uniform guidelines for previously purchased items and newly purchased Dennis Uniforms are still required, for ex. skirts and skorts should be no more than 2 inches above the knee.

BASIC UNIFORM/GROOMING GUIDELINES

- Polo style shirts (long or short sleeve) in forest green, white, gray, and black will be allowed for all grades. Each student must have at least one green polo shirt. This is the default shirt for school trips.
- Boys: khaki or navy shorts or pants.
- Girls: khaki or navy shorts, skorts, skirts, or pants. (Shorts and skorts can be no more than two inches above the top of the knee when standing.) Skirts must be below the knee when standing.
- Girls in Preschool-6th grades may wear khaki or plaid jumpers. Jumpers must be no more than 2 inches above the top of the knee when standing.
- Girls 3rd grade and under are allowed to wear the green polo dress.
- Boys' shirts are to be tucked in and a belt (brown, black, or coordinating) is to be worn. (There will be some leniency with lower grades on "tucking" due to age.)
- Shirts must fit appropriately (including no midriff showing at any time).
- Preschool (and occasionally K-12th grade students) will be allowed to wear any PPCA t-shirt to school that has been purchased from a PPCA uniform provider, PPCA Boosters/Partners, PPCA Library's School Supply Store, or PPCA Athletic teams.

- No certain pair of shoes is required for grades 7-12, but flip flops or sliders are not permitted at any time.
- K3-6th grade students are required to wear shoes with backs.
- Girls may wear leggings/tights in solid colors of white, black, gray, brown, or navy, with appropriate length skorts, skirts or jumpers.
- Outer wear (K-12th Grades) must be purchased from a PPCA approved vendor (i.e. Dennis Uniforms, Partners, Boosters, Athletic Teams, etc.)
- For extreme cold weather days, PPCA Administration will approve non-PPCA jackets to be worn outside only.
- No hats or any head covering may be worn inside any building. PPCA hoodies may be worn but no hoodies on head while inside the building.
- All undershirts must be plain white (no print). Long sleeve t-shirts (plain, white) may be worn under short sleeve polo shirts.
- Socks need to coordinate with the uniform and not be a distraction.
- Hair must be neatly cut and groomed at all times and must remain within the normal range of human hair color. Older male students should be clean-shaven, and sideburns should be no longer than the bottom of the ear. Hair should not cover a student's eyes and, for the male students, the collar. Students should also choose one hair color within the normal range.
- Jewelry and hair accessory items should be modest. Female earrings are the only body piercing allowed. Earrings are not permissible for boys.
- Other clothing accessories must be modest, coordinating, not distracting, and must not hinder uniform identification. Any and all accessories may be deemed inappropriate by the administration.
- If a student has a tattoo, it must be covered at all times while at school and at all school functions.

School officials maintain the right to deem any attire inappropriate that does not meet the standards expressed above or the spirit and integrity of the school. If a child is out of uniform and a parent is called to bring different clothing, then the parent(s) must make every effort to do so promptly.

Violations of the school uniform dress code may result in detention and/or school suspension.

On any non-uniform/spirit days, students must adhere to modesty requirements in the dress code.

The Dyslexia & Resource Center

All K5 students will be administered a developmental reading screener to assist parents, teachers, and administrators in appropriate placement in 1st grade.

The Dyslexia Center is a special division of PPCA that is established to provide the appropriate academic instruction for high potential students with a primary diagnosis of dyslexia. The core of the program is an Orton Gillingham-based curriculum.

Therapy will be administered each day under the supervision of a certified Dyslexia Therapist in a small class setting of no more than eight students.

This three-year program provides a comprehensive curriculum designed for students in 1st and 2nd grades. After the students have successfully completed the first two years of the program, they will transition into the regular classroom setting while receiving reading instruction in the Dyslexia lab during the third year.

The tuition and fees for this program can be obtained through the Admissions office.

ADMISSIONS

The admissions process is designed to assist the family and the school to determine whether a student will benefit from the Dyslexia program at PPCA. Acceptance to the program is based on diagnostic testing, student and parent interviews, information about the student's academic history, and the availability of space in the program.

PPCA is committed to ensuring that there is a good fit between students who struggle with reading and the ability of the school to meet each student's educational requirements. The classes are designed for high-potential students whose primary diagnosis is Dyslexia.

Students who struggle because of behavioral difficulties, severe attention problems, severe receptive and expressive language disorders, or below-average intellectual abilities may not benefit from the program.

RESOURCE CENTER

The Resource Center is available to students in 1st – 12th grades. The program is designed for students that need extra support with coursework. Referrals to the center may be made by teachers and administrators.

HOMework

Each teacher is at liberty to give homework in order to advance the student's learning experience. Therefore, each student is required to complete his/her homework assignments on time.

Recognizing the importance of family time in the home, PPCA instructors make every attempt to limit homework so that it is not excessive. Homework is an integral part of the learning experience and may be used by teachers to reinforce learning and foster responsibility.

Planners are sent home daily in elementary grades and will include homework and possible important correspondence from the teacher including daily work and classroom notes.

Parents are encouraged to check RenWeb ParentsWeb on a **daily** basis to view homework assignments and classwork information.

PPCA educators desire for parents to actively encourage and monitor their children in the educational process.

The faculty and staff also want PPCA students to learn responsibility and accountability for their actions, which sometimes can mean facing consequences of irresponsibility.

Students who are frequently delinquent with their homework cannot perform to the best of their ability, and therefore, cannot glorify God as He deserves.

Homework is given for several reasons:

1. **DRILL:** Most students require daily drills in order to master material essential for their educational progress.
2. **PRACTICE:** Homework is given so that the material will be mastered following classroom explanation, illustration, and drill on new work.
3. **REMEDIAL ACTIVITY:** Various weak points in a student's grasp of a subject become evident as instruction progresses. Homework following instruction is given to overcome such difficulties.
4. **SPECIAL PROJECTS:** Book reports, compositions, special research assignments, and projects are examples of activities that are frequently the subjects of homework.

GENERAL HOMEWORK GUIDELINES FOR GRADES 1-6

- The average length of time for homework should be:
 - 15-30 minutes for 1st-3rd grades
 - 45-60 minutes for 4th-6th grades
- Studying is included in this time.
- Homework should connect to the day-to-day learning taking place in the room and will be checked.
- Homework guidelines will be consistent within the grade level.
- Wednesday night studying homework is okay but must fit within the time guidelines above and must not include any written homework. Consideration for attending Wednesday night church services must be given.
- The maximum number of major tests allowed in one day will be:
 - 1 for 1st-2nd grades
 - 2 for 3rd-4th grades
 - 3 for 5th-6th grades

GENERAL HOMEWORK GUIDELINES FOR GRADES 7-12

- While there is no set length of time for homework assigned to these grade levels, daily homework should be expected. Consideration must be given for attending Wednesday night church services.
- Homework should connect to the day-to-day learning taking place in the classroom and will be checked.
- The maximum number of major tests allowed in one day will be a total of three (3).

SIGNED PAPERS – ELEMENTARY ONLY

These will be sent home every week and should be signed and returned the next day. These papers will be kept for school records and will not be returned.

Workbooks will not be returned at the end of the year.

EXAM POLICIES

- **K-5th Grades:** No nine-week or semester exams are administered.
- **6th Grades:** As determined by Administration and communicated to families.
- **7th-12th Grades:** Exams will be administered at the end of each semester. Exam grades will count for 20% of a student's semester average with the 1st nine-week term counting for 40% and the 2nd nine-week term counting for 40% of the semester average.
- **Discipline issues may result in loss of exam exemption privileges.**
- Students owing fees and/or fines must still take their exams but grades will not be recorded. Final grades will not be issued until all money due has been paid.

EXAM EXEMPTION POLICY

Grades 7-11: No students are exempt from fall semester exams – even if the class is only a semester class. Students have the possibility of being exempt from spring semester exams if all of the following conditions are met:

- An “A” average of 90 or higher in the class.
- All school fees and/or fines are paid in full.
- Six or fewer absences* if it is a spring semester class.
- Twelve or fewer absences* if it is a year-long class.

- All school fees and/or fines are paid in full.
- Six or fewer absences* at the end of the semester.
- Twelve or fewer absences* if it is a year-long class.
- Discipline issues may result in loss of exemption privileges.

***ABSENCES MEAN EXCUSED OR UNEXCUSED**

GRADING

GRADING PROCEDURES

Students will be given a grade in all subjects where credit is earned each nine weeks and for semester exams and semester averages. Progress reports will be posted quarterly, and will contain an average of the available grades.

Report cards provide numerical averages and comments and are emailed at the conclusion of each term.

Parents and students may access their grades at any time through ParentsWeb.

PRESCHOOL GRADING SCALE

No grades are given in Preschool. Parents will receive updates on student progress throughout the year.

F = 69 and below

SECONDARY GRADING SCALE (7th-12th Grades)

The current ten point grading scale for Park Place Christian Academy is as follows:

A:	90-100	4 points
B:	80-89	3 points
C:	70-79	2 points
F:	69 and below	0 points

REPORT CARDS

The purpose of a reporting system is to give parents an accurate indication of the progress (or lack of progress) shown by their children. Each child's ability, attitude, and application are taken into account in the grading system.

Report cards will be emailed each nine weeks for all levels.

Final report cards for the year are mailed to all students who are cleared of any owed fees or fines. Parents do not return the final report card.

GRADE POINT AVERAGE CALCULATION (Secondary only)

PPCA calculates and uses two forms of grade point averages for various purposes. The first, which is known as the numeric GPA, is used for determining the honors of valedictorian and salutatorian of the senior class.

The numeric GPA is calculated by adding the numeric grade awarded for each academic class, where a Carnegie unit is awarded, and dividing the sum by the total number of academic classes. A numeric GPA will look like a 92.75, 83.5 or other similar number.

Academic classes are all classes where a grade is earned except Physical Education, Boys Athletics, and Girls Athletics.

WEIGHTED AVERAGES (Secondary only)

Students who are taking honors courses and/or dual credit/dual enrollment courses will have their grades weighted 1.05 points for honors classes and/or AP classes.

The maximum term/final grade in all non-honors classes is 100.

The weighted averages will be used to compute grade point averages (GPA). Weighted averages are also used to determine and maintain eligibility in honorary societies and athletics.

QUALITY POINT CALCULATION (Secondary only)

PPCA awards “Quality Points” for grades as follows:

- A = 4 points
- B = 3 points
- C = 2 points
- F = 0 point

These “Quality Points” are used to calculate a QPA, which is often the GPA required for college admission and scholarship consideration.

The QPA is the form of the GPA that is submitted to colleges, universities, and for most scholarships. It is also used to determine the status of Honors Graduates for graduation as well as eligibility for serving on the Student Council.

The QPA is calculated by first assigning a numeric value to all grades (A=4; B=3; C=2) earned in ALL classes where a grade is given. These numbers are then summed and divided by the total number of classes taken. This includes classes such as Physical Education, Athletics, and Driver’s Education. This method also includes grades earned at institutions other than PPCA.

A student’s QPA will look like a 3.75, 2.5, or other similar number.

ACADEMIC HONORS

A HONOR ROLL & A/B HONOR ROLL

Secondary students earning all “A’s” or all “A’s” and “B’s” in all subjects on each report card will be especially honored at the conclusion of each reporting period.

HONORS ORGANIZATIONS

Students who excel academically have the opportunity to participate in one or both of our academic honors organizations: National Honor Society or Beta Club

- **NATIONAL HONOR SOCIETY**

NHS members must be in the 10th grade or higher and are inducted during the fall of each school year. To be eligible, students must maintain a 90 or higher in every class during the previous year among other considerations.

Transfer students who were members in good standing of another NHS chapter are automatically recognized as members of PPCA’s chapter.

Each student’s NHS membership is reviewed following every 9-week grading period regarding academic standing and disciplinary issues, per the NHS By-Laws and Constitution.

Students in good standing as NHS members are recognized during Awards Day and seniors will have the honor of wearing a special cord during their Graduation ceremony.

- **BETA CLUB**

Beta Club members must be in the 9th grade or higher and are allowed to join at the beginning of each semester. Beta Club members must maintain an 88 or higher in each class.

Transfer students who were members in good standing of another Beta Club chapter are automatically recognized as members of PPCA’s chapter.

Beta Club members who fall below an 88 in any class at the end of 9-week grading period will be on probation until the next consecutive 9-week grading period.

Students in good standing as Beta Club members will have the honor of being recognized at Awards Day.

HONORS GRADUATES

Those students excelling in their academic careers will be honored with the following distinctions at graduation:

- **With Honors**- Students who earn a 3.25 QPA or higher will be designated as Honors graduates. Honors graduates will have the privilege of having “Honors” printed on their graduation stole as well as being fully recognized in the graduation program. This designation will also be printed on the student’s final transcript.
- **With Highest Honors**- Students who earn a 3.75 QPA or higher will be designated as a Graduate with Highest Honors. In addition to having “Honors” printed on their graduation stole and fully recognized in the graduation program, Highest Honors graduates will have the distinction of wearing a special cord during the graduation ceremony. This designation will also be printed on the student’s final transcript.

CLASS RANK

Park Place Christian Academy does not assign class rank to students. The school will, however, recognize the designation of valedictorian and salutatorian.

GRADUATION CORDS and PINS

Any special cords, stoles, or pins granted to graduating students by an honors organization are limited to those offered at PPCA or approved in writing by the administration prior to graduation.

VALEDICTORIAN and SALUTATORIAN

- The honors of valedictorian and salutatorian are determined by the numeric GPA. The numeric GPA is calculated by adding the numeric grade awarded for each academic class, where a Carnegie unit is awarded, and dividing the sum by the total number of academic classes.
- PPCA’s Academic classes are all classes where a grade is earned except Physical Education, Boys Athletics, and Girls Athletics.
- A minimum of 16 credits must be earned as a PPCA student.
- A student must be enrolled at PPCA their entire junior and senior year. These must be two separate years (i.e. students “skipping” their senior year and graduating a year ahead of schedule are not eligible for consideration of the honor of valedictorian or salutatorian.

7th and 8th Grades:

- Students will not be promoted to the next grade if they fail a core course (English, history, math, science).
- Students may attempt no more than two (2) of these courses in Summer School. If they pass the Summer School course(s), then they will be promoted to the next grade.
- Students will not receive a passing grade in any course in which they have more than 20 absences for full-year courses or 10 absences in semester-length courses.

OUTSIDE CREDITS

In order to enable the highest level of academic achievement for students of Park Place Christian Academy, the following policies and guidelines are in place to ensure fair treatment of students regarding credits earned at institutions other than PPCA. Credits from other institutions may be earned in one of three ways:

- **TRANSFER CREDITS:**

Transfer credits are earned by students prior to enrollment at PPCA. Transfer credits are considered on a case-by-case basis. Transfer credits earned at public institutions that are accredited by the Southern Association of Colleges and Schools (SACS)/AdvancedED or another regionally accredited institution are automatically accepted. Transfer credits earned at independent schools accredited by the Mississippi Association of Independent Schools (MAIS) are automatically accepted.

With regard to grades for transfer credits, whatever grade was awarded by the institution that awarded the credit, will be the grade that is entered on the student's transcript, regardless of the grading scale that is used by PPCA at the time of transfer. For example, if at the previous school a 92 was a "B," then it will be considered a "B" at PPCA although PPCA operates on a ten-point grading scale. If only a letter grade is granted by the previous institution, then that grade will be awarded at the midpoint of the numerical scale used by PPCA. For example, if the previous school awarded a grade of "A," it would be entered as a 95 at PPCA, since that is the middle of the numerical scale. An A+ would be recorded as a 99.

Transfer credits earned through a homeschool program or at a public or private institution that is not regionally accredited or accredited by the MAIS will be evaluated and considered on a case-by-case basis. Credits earned in this manner may or may not be accepted by PPCA.

- **ADVANCEMENT CREDITS:**

Advancement credits are earned by currently enrolled PPCA students. These credits are for those students wishing to advance their academic career by taking courses not offered at PPCA. Students wishing to take these courses must receive approval from PPCA administration. Only institutions that are fully accredited by SACS/AdvancedED or the MAIS will be considered.

Students may earn advancement credit during each summer following the 9th grade year. Students may earn a total of three advancement credits throughout their time at PPCA. The PPCA administration reserves the right to deny students the opportunity to take advancement credits based on previous academic history.

- **DUAL ENROLLMENT/DUAL CREDITS:**

Only courses taught on the campus of PPCA are eligible for dual credit and count toward Carnegie units for graduation from PPCA. Any on-line courses will NOT be awarded Carnegie unit credit from PPCA.

- **CREDIT RECOVERY:**

Credit Recovery (CR) credits are earned by currently enrolled PPCA students who have failed a course for the year. CR credits are entered on the student's permanent record at a grade of 70, no matter what grade was earned in the class, unless the grade is lower, and carry a designation of CR following the course name. A student may take only two (2) in one summer. The institution must be fully accredited and approved by PPCA administration prior to the student's enrollment.

QPA CALCULATION of OUTSIDE CREDITS

PPCA awards "Quality Points" for grades as follows:

- A = 4 points
- B = 3 points
- C = 2 points
- F = 0 point

These "Quality Points" are used to calculate a Quality Point Average (QPA), which is often the GPA required for college admission and scholarship consideration.

QPA calculation will be handled in the following manner in regards to outside credits:

- **Transfer:** Transfer credits ARE awarded quality points and will be calculated in the QPA.
- **Advancement:** Advancement credits ARE awarded quality points and will be calculated in the QPA.
- **Credit Recovery:** Credit recovery credits ARE awarded quality points and will be calculated in the QPA.

A.C.T.S. SERVICE HOURS REQUIRED FOR GRADUATION

Each Park Place Christian Academy student, in order to graduate from PPCA, in addition to fulfilling the academic requirements for graduation, must complete a minimum of 70 service hours known as **A.C.T.S. Hours**, an acronym which stands for **Announcing Christ Through Service.**

Students should choose service activities and projects which reflect this mission. Since these acts of service can vary, students are encouraged to check with the A.C.T.S. administrator *prior* to conducting these acts to ensure they can be counted for A.C.T.S. hours.

The requirements for A.C.T.S. Hours, which must be earned during their 9th-12th grade years, are outlined below:

Students may earn no more than half of these hours each year during the summer prior to the school year.

Graduating seniors who have not earned their 70 A.C.T.S. Hours may have their diplomas withheld and/or be unable to participate in the graduation ceremony until the requirement is fulfilled.

Service acts that are done for family members or for pay, while helpful, do **not** count towards fulfilling the above requirements.

Students who double or more than double their service hours each year are eligible for special recognition.

DOCUMENTATION OF A.C.T.S. HOURS

Hours will NOT be counted unless they are properly documented and submitted within the appropriate time frames. These time frames will be announced to students during morning announcements and through other means of school communication as they approach.

Students are responsible for turning in their completed A.C.T.S. Hours form that is available in the PPCA Office.

NOTE: Due to the pandemic, the PPCA Administration is aware of the limitations that face students in earning A.C.T.S. hours during the 2020-2021 school year and will communicate with students any adjustments as they are made during this season.

1. The student's parent/guardian must meet with a school counselor to initiate the withdrawal process.
2. Students attending one day of any school month will owe the full month's tuition.
3. All financial obligations must be paid before the withdrawal process is complete. PPCA will not forward report cards or completed transcripts to another school until all financial obligations are paid in full.

DISCIPLINARY PROCEDURES

Park Place Christian Academy seeks to provide an orderly atmosphere that is essential for a student to strive to achieve a Spirit-controlled, Christ-like life.

It is the responsibility of the teacher to define behavioral boundaries consistent with Biblical principles and developmental capability. Rules and regulations are imposed to encourage proper habits, enabling the student to become self-disciplined. These rules will be clearly and concisely presented to the student by the faculty.

Teachers will establish classroom procedures and discuss school-wide rules with students at the beginning of the school year. Discipline is a three-phased program originating at home, next in the classroom, and finally, supported by the administration.

When disobedience is repeated or there is a serious problem, the student will be sent to the appropriate Administrator. Proper classroom discipline by the teacher will be supported by the administration.

Parents bear the primary responsibility for teaching their children right behavior and attitudes, and PPCA depends heavily on parents to help if there is a behavior problem.

FORMS OF CORRECTION used at PPCA include:

1. Extra assignments
2. Loss of recess or other privileges
3. Corporal punishment to First Grade and above
4. Detention
5. Suspension

Students who have been allowed to enroll at PPCA immediately following the completion of an alternative school placement will be enrolled on probationary status for one full semester.

Probationary status means that even a minor disciplinary incident could result in immediate expulsion from PPCA.

It is understood that Park Place Christian Academy administers corporal punishment in cases deemed necessary.

When parents enroll their children, they are required to sign a form authorizing the school to administer corporal punishment to their child.

Corporal punishment will only be performed by an administrator, in the presence of a witness, and with careful attention to prevent injury to the child.

No corporal punishment will take place in the presence of other children.

Refusal of corporal punishment will result in an alternative form of punishment.

2. Each student will be subject to random testing at any time, and any number of times, throughout the school year.
3. The method of testing is a form of urine and/or hair sample.
4. The collection and labeling of specimen samples will be executed in a manner insuring total confidentiality and identification.

LIBRARY AND SCHOOL SUPPLY STORE

LIBRARY

The PPCA Library is available for use by all PPCA students and faculty. Anyone wishing to hold a meeting, class, or conference in the Library before, during, or after school hours should make request in advance of the PPCA Librarian.

The use of materials, computers, and other resources by non-PPCA guests must be cleared in advance by the PPCA Librarian.

Kindergarten and elementary students visit the PPCA Library on a regularly scheduled basis. In addition to class visits, 4th -12th grade students also have access to the Library via teacher passes, during breaks, and in between classes.

Kindergarten students may check out library books but will leave them in their teacher's classroom.

First through fifth grade students may check out one book each and return it the following week. Sixth grade through twelfth grade students may check out two books each and return it within two weeks. Exceptions to the check-out limitations are at the discretion of classroom teachers and/or the PPCA Librarian.

Fines are assessed throughout the year for overdue books, book damages, or replacement costs of lost books and must be paid before report cards are issued each quarter. All Library fines must be settled before the end of each semester or grades will not be released.

All Library books and media materials are due back the week before Christmas break and in the final weeks leading up to the end of the school year. The PPCA Library is closed the week of school-wide testing for Inventory.

Students and their families may donate new or gently used books or DVDs to the PPCA Library. If donated items are duplicates or unable to be used in the PPCA Library collection then the Librarian may donate items for teacher and student use in PPCA classrooms, or donate to mission libraries or other deserving organizations.

SCHOOL SUPPLY STORE

The Library maintains a School Supply Store that is available to PPCA students to purchase items necessary for classroom education, such as pencils and paper. Summer Reading books and teacher-required reading books for PPCA classes may also be purchased in advance through the Library's School Supply Store via cash or check made out to PPCA.

The proceeds from the School Supply Store benefit the PPCA Library.

ELIGIBILITY REQUIREMENTS FOR ATHLETICS AND EXTRACURRICULAR CLUBS

No student will be allowed to participate in or seek election in any extracurricular activity unless the student is enrolled in school and in good financial standing.

ATHLETICS

Health and accident insurance is strongly recommended for participation in all organized sports and activities. PPCA does not pay any expense incurred for any athletic or extra-curricular accident involving a student on school property or participating in school activities at other locations and does not provide health or accident insurance for participants in school athletic or extra-curricular programs.

3. Maintain his/her grades to participate in an athletic sport.

PPCA students in 7th-12th grades who have been promoted from their previous grades are eligible to participate in sports and/or extra-curricular activities. Students may lose their eligibility for sports and/or extra-curricular activities if they have two or more "F's" on their first, second, or third nine-weeks' report cards. Students who lose their eligibility may regain their eligibility by having fewer than 2 "F's" on subsequent progress reports or report cards.

All athletes are encouraged to finish what they start, because quitting a sport hurts the entire team.

1. If a student decides to quit one sport during the year, then that student may not begin practicing or participating in another sport until the sport that he/she quit has finished completely.
2. If a student misses a game for an unexcused reason (excused absences would be illness, death in the family, or family emergency), then the player may be subject to missing playing time in the next game.

Athletes are asked to make every effort to attend all practices and games, as the whole team has worked hard and planned on every player contributing to the success of every team.

All fans are representatives of God, their families, and PPCA. Parents are asked to encourage PPCA athletes and the coaching staff. Parents are asked to be their student athletes' biggest fans, remembering that the eyes and ears of future athletes are watching and listening.

If a parent is asked to leave a sporting event by a game official, the school is fined by the Mississippi Association of Independent Schools (MAIS). All fines assessed by MAIS will be passed down to the parent who was ejected from the school event. The parent shall be subject to further actions by school administration such as suspension from attending games.

EXTRACURRICULAR CLUBS

To participate in any extracurricular club, a student must be:

1. Enrolled at PPCA.
2. In good financial standing with all fees due to PPCA.
3. In good academic standing per the requirements as set forth for each club, whether as a regular member or an officer of the club.
4. In order to run for any office or to try out for any group for the next school year, a student must be registered at PPCA for the upcoming year in addition to having met all academic and financial requirements.

COMMUNICATIONS WITH FACULTY & STAFF

A dynamic work such as education has challenges. Applying Christian ethics can help parents and teachers to approach and solve problems in an orderly manner.

School Administrators and counselors will work with students and parents to help solve problems at school as needed.

One of the strengths of Christian schools is the way parents and teachers cooperate in working and praying through problems. Problems are solved on a spiritual and practical level. PPCA asks that parents:

1. Pray for wisdom in rearing and training children.
2. Pray for the staff, teachers, and administration of PPCA.
3. Have a spirit of cooperation and understanding.
4. Encourage students to do their best, but don't expect more than they are able to achieve.
5. Take an interest in the activities of the school.
6. Do not listen to or participate in gossip or hearsay about teachers, students, or problems having to do with the school.
7. Address concerns to the appropriate personnel of the school.

SCHOOL-WIDE TEXTING SERVICE

PPCA uses the Parent Alert text messaging and email system to communicate important news and information to parents, students, and staff. The Parent Alert system is part of PPCA's RenWeb school management system.

To ensure families stay connected and receive pertinent school information, parents and guardians should make sure that contact information, including cell phone numbers and email addresses, are entered in the correct fields in RenWeb or Parents Web and updated whenever changes occur.

COMMUNICATION GUIDELINES

PPCA Faculty and Staff welcome constructive communication from parents at any time. The following guidelines will help to direct communication in the most productive way.

1. Please notify the PPCA office **immediately** of any change of address, phone, email or custody arrangements. Changes in address and contact information may be made via RenWeb ParentsWeb.
2. **Students and parents should work with teachers first to solve any problem or misunderstanding originating in class.**
3. Following an initial contact and attempt to resolve the issue with the teacher, parents and students may go to the PPCA Administration for further mediation.
4. For a question about school work or class procedures, it is recommended that parents write a note or email the student's teacher. The teacher will respond with a note, phone call, or email, usually within 48 hours.
5. If a phone conversation is desired with the teacher, write a note or email the teacher to request one. If, after 48 hours, there is no response to an emailed or written request for a phone conversation, then call the teacher's respective school office. Concerns involving students and classroom procedures are most appropriately directed to the teacher. Administrators are available if needed.
6. Parent/teacher conferences are encouraged and scheduled by the school's guidance counselor. These conferences may be held before or after school, or during the teacher's planning period. Please call the guidance counselor in the 201 Building to arrange a conference.
7. Do not contact teachers at home or after hours except in a genuine emergency.

In solving a problem which might arise, always begin with the child's teacher before proceeding to the next level of authority. This orderly approach will assure that any problem between the student and the school is properly solved. Parents are responsible to God for the education of their children. If the parents cannot support the school, they should withdraw their child.

PARENT INVOLVEMENT

Parent involvement at PPCA is encouraged and expected. Parents are provided volunteer opportunities at the beginning of each academic year to allow them to become involved in various opportunities within the classroom. These include, but are not limited to, Room Parents, Field Trips, Fundraisers, and through PPCA support organizations such as Partners and Booster Club. All invitations, notes, and media announcements to PPCA families regarding activities and fundraisers must be approved in advance by the PPCA administration.

ROOM PARENTS (Preschool-6th Grades)

Room parents are needed to be in charge of refreshments for parties, parent-teacher fellowships, and to help on field trips with transportation, etc. Parents may contact the classroom teacher to assist in these areas.

FIELD TRIPS

The value of learning beyond the classroom walls is beyond dispute; therefore, almost all classes have educational field trips. Each trip will be well planned and have a relation to the unit that the class is studying at that time. Or, the teacher may schedule a fun activity that will enhance relationships.

The teacher is directly responsible for the safety of the children, and therefore is the final authority regarding decisions on the trip. The use of chartered bus trips are highly recommended for any trip outside of the Jackson metro area.

Field trips will be limited to one per semester per grade and should be planned one month in advance. A letter explaining the objective of any field trip or activity with a permission form will be sent to each parent. Each form must be returned with the parent's signature. Parents serving as chaperones are not allowed to bring other children (siblings) along on field trips without prior administrative approval.

CAMPUS VISITS

Visitation by relatives may occur during the student's lunch or Chapel service if approved through the PPCA Administration. Visitation may also take place if it is for a specific function as designated by PPCA Administration. Otherwise, visits to classrooms are not permitted so as not to disrupt the educational process.

PARENTS' ATTIRE

Parents and volunteers are asked to adhere to modest dress standards when they help with fundraisers, field trips, parties or as room parents. Discretion in dress is also greatly appreciated when parents visit during the school day or at after-school functions.

CLASS PARTIES: PRESCHOOL and ELEMENTARY SCHOOL

All communication sent home must be approved by the administration. Parents are **not allowed** to make deliveries of gifts to students at school. Because of the secularization of so many holidays, the following guidelines are enforced in the handling of class parties.

<u>HALLOWEEN:</u>	Will not be observed.
<u>THANKSGIVING:</u>	May be celebrated with a class party per the teacher's discretion.
<u>CHRISTMAS:</u>	Class parties may be planned. Emphasis is on the birth of Christ.
<u>VALENTINES:</u>	Class parties may be planned. Valentines may be exchanged provided students bring them for <u>all class members</u> . Derogatory, negative, or "put-down" cards are not acceptable and may not be used.
<u>EASTER:</u>	Emphasis is on the substitutionary death, burial, and resurrection of the Lord Jesus Christ.
<u>MARDI GRAS:</u>	Will not be observed.

BIRTHDAYS

It is a main concern of the school that no child should experience social rejection under the false impression that the school endorses such behavior. The following guidelines should be considered when considering birthday parties:

- No invitations will be sent home unless every child in the class is invited. The only exception will be all-girl or all-boy parties in which every girl or every boy is invited.
- No birthday parties will be held during school hours on school property. Parents are encouraged to send cupcakes or other refreshments to be eaten at snack time. No birthday cakes, candles, balloons, flowers, or gifts will be allowed at school. Parents will be required to make arrangements in advance with their child's teacher.
- Any other type of birthday celebration, such as those involving special carpool arrangements, must be cleared with the Elementary Principal.
- If a child will be attending an after-school birthday party and abnormal carpool arrangements are desired, a note **MUST** be sent to the child's teacher on the morning of (or before the day of) the change in transportation. (Even though a child may have the birthday gift on campus, a note is still required to make a change in transportation.)

PPCA PARTNERS AND BOOSTER CLUB

The PPCA Partners and Booster Club Organizations are comprised of parents/guardians who are active in supporting Park Place Christian Academy in many ways. Parents are encouraged to attend each organization's meetings and to become involved in supporting PPCA and its role in education and equipping students to serve God.

FINANCES

A brochure with financial information regarding tuition rates, fees, etc., is available in the Admissions Office. Parents should read it carefully to see exactly what is owed and when payments are due. All fees will be charged for each child in each family. Please note the deadlines for various fees.

FINANCIAL POLICY

1. There is a \$30.00 charge for all checks returned to PPCA by any bank for any reason. If two checks are returned, the student's account will be on a cash basis only going forward.
2. First through twelfth grade students whose parents are active members of Park Place Baptist Church may receive a discount on the total tuition payment each month; however, it is understood that church families will financially support Park Place Baptist Church in tithes and offerings and participate in other areas of service in the church. If parents move their membership to another church, they will forfeit their tuition discount.
3. No student will be allowed to participate in or seek election in any extracurricular activity unless the student is enrolled in school and in good financial standing.

DELINQUENT TUITION POLICIES

1. All reporting information including report cards, official transcripts, etc., will be held by the school after a child has been refused entrance due to non-payment of tuition.
2. If a student who has an outstanding balance transfers to another school, the student's transcript ^{will} reflect a status of incomplete until all financial obligations are met.
3. No student will be re-enrolled for the next school year until all previous year's tuition and/or fees have been paid in full.
4. No Kindergarten student will be permitted to participate in the graduation program if his/her account has not been paid in full.

Although PPCA and Park Place Crusader Care are separate entities, they are governed by the same Board. Being in default on financial commitment to one may be considered as being in default to both.

FAMILY FEE

A one time, non-refundable Family Fee of \$600 is due upon registration for all new families attending Park Place Christian Academy. Families may opt to pay the \$600 fee via a monthly payment of \$50 – or – two semester payments of \$300 each due June 15, 2020, and Dec. 15, 2020.

REGISTRATION FEE

A yearly Registration fee in the amount of \$250 is charged for each student re-enrolling during Registration in January. This fee is non-refundable, non-transferrable, and is required for all students who are re-enrolling in PPCA.

NOTE: Registration AND Re-Enrollment is NOT completed until Registration Fee is paid.

For returning students, the amount of the Registration fee increases after March 31, and every month thereafter. Deadlines and amounts are displayed on the Tuition and Fee Sheet, available in the Director of Admissions Office.

A FINAL NOTE

Park Place Christian Academy extends its appreciation to all parents for making PPCA their school of choice. The PPCA Administration, Faculty, and Staff feel a great responsibility, striving to educate children through the ministry of this Christian school. Parents are asked to pray daily for PPCA. The prayer of those associated with PPCA is that God would continue to bless the faculty, staff, students, and their families.

The PPCA administration along with the PPCA school board reserves the right to change or modify policies stated in this Student handbook.

Park Place Christian Academy

Return to School Plan for 2020-2021

The leadership of Park Place Christian Academy believes the most beneficial plan for students' emotional, intellectual, physical, and spiritual well-being is to have them on campus receiving the instruction, structure, support, and love that the teachers and staff provide.

PPCA understands and sympathizes with families making decisions about the benefits of face-to-face instruction, distance-learning, and hybrid education which blends together on-campus and off-campus instruction.

Four Plans:

This chart offers an overview of the four plans offering different Modes of Learning and their Locations. They are differentiated by the colors of Green, Silver, Black, and White:

COLOR	GREEN	SILVER	BLACK	WHITE
MODE of LEARNING	In Person Learning with No Modifications	In Person Learning with Limited Modifications	In Person and Distance Learning via Hybrid Schedule	Distance Learning
LOCATION	On Campus Instruction	On Campus Instruction	On and Off Campus Instruction	Off Campus Instruction

NOTE: This Return to School document primarily focuses on the details of the Silver and Black Plans with regard to on-campus protocol as deemed necessary for the official school start. PPCA is beginning the 2020-2021 school year utilizing the Silver Plan.

If PPCA's leadership determines that the Black (Hybrid Learning) Plan or the White (Distance Learning) Plan must go into effect, more information will be forthcoming and communicated to PPCA families and staff regarding those details.

ARRIVAL: Silver and Black Plans

- PPCA will resume school on Monday, August 10, 2020, with classes beginning at 7:55 a.m.
- Doors will open at 7:15 a.m. for students to report to their classrooms.
- Tardiness is reported beginning at 7:55 a.m.

DISMISSAL: Silver and Black Plans

PPCA will dismiss at staggered times on regular days:

- K3-K4: 11:30 a.m.
- K5-6G: 2:45 p.m.
- 7G-12G: 3:00 p.m.

DAILY HEALTH AND SAFETY PROCEDURES: Silver and Black Plans

Parents and guardians are responsible for screening each student's health on a daily basis before bringing them to school.

SCREENING:

Prior to entering the building, families must screen their children each school day. This is done by checking their temperatures before arriving at PPCA and asking the following three questions of each PPCA student in their families:

1. Has the student been in close personal contact with a confirmed or suspected case of COVID-19 in the past 14 days?
2. Has the student had a fever (100.4 or higher), a new or worsening cough, and/or shortness of breath, in the past 24 hours?
3. Has the student had a sudden loss of taste or smell in the past 24 hours?

"YES" ANSWER to DAILY SCREENING:

If the answer is "YES" to ANY of the above questions OR if a student's temperature is above normal, the student may not enter the PPCA building until he or she:

1. Receives a physician's approval to return to school (as explained below), or
2. Completes the required period of quarantine AND is without fever for at least 72 hours

NOTE: If the answer is "YES," families are encouraged to contact their physicians regarding the possibility of their students taking a COVID-19 test.

Upon a positive COVID-19 test result, families are required to contact the school office immediately.

- If students or school personnel are exposed to someone with COVID-19 the school must be informed and updated. Families should update the school if symptoms worsen.

In the event that a student or staff member becomes ill or shows any symptoms while at PPCA, the following applies:

- PPCA student or staff members will be sent home immediately. Families will be contacted immediately to make arrangements to pick up ill students.
- A “sick room” is designated to separate ill students until authorized adults arrive to take them off-campus.
- If one family member of a student or staff tests positive for COVID-19, ALL household members enrolled in PPCA must quarantine along with the infected person.
- Any student or staff sent home for COVID-19 must remain at home until cleared for return to school by a physician or has completed the required quarantine.
- Emails will be sent to families if PPCA students or school personnel are exposed to someone with COVID-19.

“NO” ANSWER to DAILY SCREENING:

If the answer to ALL of the above questions is “NO” and a student’s temperature is considered to be normal, the student may enter the PPCA building to report directly to his or her homeroom or first period class.

Tardy students must report to respective offices.

- Students will have their temperature taken by their homeroom/first period teachers each morning and again prior to entering the cafeteria for lunch.

MASKS

- Masks will be worn by faculty and staff and all 7th-12th grade students when indoors.
- Masks should be worn outdoors whenever social distancing is not possible.
- Student masks should be plain with no print or words on it, except for monograms of student initials and/or school-approved designs.

- At this time the 'Sader Shack is the only source for providing school-approved designer masks for students. No other vendor has permission to use the PPCA logo or identification for masks.
- Masks must cover the nose and mouth.
- Families are responsible for daily cleaning of their students' masks.
- Students' names should be written on their masks for identification in the event of masks becoming separated from the students.
- Students should not touch another student's mask, nor should "swapping" of masks take place.
- Masks and gloves are required for anyone serving food and/or drink while at PPCA.

PRESCHOOL and ELEMENTARY STUDENTS:

- Preschool and Elementary students will remain in their homeroom classes for the duration of the day. If a team-teaching learning strategy is used, those students will remain in their classrooms and teachers will change rooms to limit exposure.
- Preschool and Elementary students will be taken to and from their Specials classes by their classroom teachers.
- Elementary classes will be allowed to go one class at a time to the playgrounds.

ALL STUDENTS:

- Sanitizing foam receptacles will be placed outside each classroom as well as throughout the PPCA campus.
- Staff and students will adhere to strict hand sanitizing protocol when entering each classroom.
- As space allows, classrooms will be arranged to maximize social distancing.
- PPCA buildings will be routinely cleaned and sanitized by PPCA employees during the day and nightly by an outside janitorial company.
- Students are required to provide their own water containers.
- Any student's word or actions of threat or disregard for another's health and safety will be considered intolerable and will be treated as a serious disciplinary offense. An example of this is touching another person's mask.

COMMUNICATION: Green, Silver, Black, and White Plans

- All news and information will be sent to families via ParentsWeb/email.
- Mass communication will be sent out via PPCA's texting service.
- Families are reminded that, per the PPCA Student Handbook Social Media Policy, parents and students are prohibited from posting negative, derogatory, inflammatory, or personally insulting comments, photos, or videos on any social media sites that pertain to any student, parent, or staff member of PPCA. Discussion of anyone's health and/or quarantining falls under this category.

CHAPEL AND CLUBS: Silver and Black Plans

Until further notice, Chapels will be held in individual classrooms.

Club members will be allowed to meet in person when social distancing is possible. When social distancing is not possible, clubs will be allowed to meet virtually.

SCHOOL SNACK AND LUNCH: Silver and Black Plans

- Snacks and lunches may be purchased daily via The Lunch Ticket.
